

Volunteer/Fundraising Policies:

Our organization depends on volunteers. If your schedule will not allow you to volunteer as a Coach, a Referee, Grounds Work, Club Fundraising Helper, Board Member, Concessions or Team Parent a Volunteer Buyout fee of \$25 is due at registration.

Please understand the Carlisle Soccer Club does not participate in direct sales fundraising or door-to-door sales fundraising programs. The Carlisle Soccer Club will hold *event* fundraisers each season (such as staffing special events concessions, car washes, etc.). Volunteering your time for these events will fulfill your volunteer obligation for the season.

Any member of the Carlisle Soccer Club that did not pay the volunteer buyout fee is obligated to participate actively in the Club-wide fundraising events during the season.

Further, individual teams may conduct team-specific fundraisers (see separate team fundraising policy), which may include door-to-door collections of cans, car washes or other events, but these activities DO NOT count toward your volunteer obligation to the Club.
